Course requirements and sequencing may vary with AP courses, transfer courses, English/math placement, or other conditions.

A full-time course load for undergraduate students is 12-18 credits per semester. Illinois residents receiving state aid should register for 15 hours per semester.

## Bachelor of Arts in Intercultural Leadership/Missions (2.5-Year Plan)

Academic planning is the student's responsibility. This Graduation Plan is designed to be a guide to assist students as they plan their course selections. This is only a suggested schedule, and is not a substitute for a student's Advising Worksheet, nor the Program Requirements in the Judson University Catalog. Actual course selections should be made with the advice and approval of an academic advisor. Students should become familiar with the catalog in effect at the time at which they entered the institution. Course requirements and sequencing may vary with AP courses, transfer courses, English/math placement, or other conditions.

A full-time course load for undergraduate students is 12-18 credits per semester. Illinois residents receiving state aid should register for 15 hours per semester.

In addition to the courses below, chapel is required for all traditional fulltime students (i.e., those taking 12 or more credit hours), both residents and commuters. This course counts as 1 credit towards a student's fulltime status within the term, but does <u>not</u> earn credits towards graduation.

## This plan is designed for students transferring to Judson with an Associate's degree. Students must earn a combined total of 120 credit hours to graduate.
